

PHYSICS STAFF-STUDENT RELAY RACE

We would like to thank all those who took part in this event either as "runners" or "helpers". Most people seemed to enjoy themselves and we hope to make it an annual event. Congratulations to the Physics third year students: Dave Reid, John Mutton, Les Glynn and Chris Jewell who won the race and will receive a prize consisting of one six pack of beer (which must be shared with the organisers!) and a "shield".

Official Result

Position	Team	Time
1	3rd Year Physics Students	15m 15s
2	2nd Year Physics Students "A"	15m 23s
