

PHYSICS ROUND CAMPUS TRIAL RACE (4 June, 1980)

RESULTS

A new record this time from the very strong Geography team who held off the Bio-Ecology challenge quite convincingly. A new record too for the Operational Research Ladies team. This was the first year that we have had any all-ladies teams competing and the 2 teams this year were very evenly matched with only 20 seconds separating them at the end.

1. Geography	13-44 RECORD	C. Pooley, B. McEw, P. Lightowler, et. al.
2. Bio-Ecology	14-09	S. Bird, A. Cirling, D. Lemmon, P. Tulley
3. Computer Studies	14-33	T. Llewellyn, J. Self, R. Urwin, F. Zaleya
4. History	14-56	J. Clough, M. Winstanley, et. al.
5. Mathematics	15-24	C. Daly, K. Dodson, G. Jameson, L. Nutisu
6. Economics	15-39	R. Akehurst, A. Dent, P. Ferguson, B. Hamilton
7. Footballers	15-51	Four of C. Chapman, M. Drensfeld, G. Hedges, S. Margison, S. Slack
8. Env. So. Staff	15-53	Sandra Wilkinson, et. al.
9. Physics Staff	16-07	R. Collins, I. Barker, F. Poster, P. Lee
10. Engineering Men	16-15	D. Anderson, R. Chaplin, D. Hurdle, D. Seward
11. Operational Research	16-41	P. Amadoz, E. Ritchie, G. Papadopoulos, D. Worthington
12. Physics Graduate Students	20-28	C. Green, Kamarulzaman, M. Salepour, J. Stocker
13. 13. Physics A-floor Coffee Club	21-09	G. Pickett, P. Strange, et. al.
14. Op. Res. Ladies	22-10 RECORD	Ruth Houghton, Eriphyla Keninia, Vicky Mabin, Pam Maring
15. Engineering Ladies	22-30	M. Cunliffe, B. Hickson, M. Holmes, D. Wristlecroft

Thanks to all the helpers, especially Arthur Glegg (Starter), Ian Saunders (Time-keeper) and Andy Muirhead and Jack Middleton (Marshalls). We hope that all enjoyed themselves.

FOR YOUR DIARY: Next year's race will be at 1.30 p.m. on Wednesday, 3 June, 1981
