Many thanks to all those who took part and congratulations to team from O-R (Morons), unfortunately they did not quite beat record set in 1982 by the Marketing Maniacs(13.09). Congratulations the ladies from E-S who set a very good time but still more than minute slower than the History ladies last year(18.15). Certificates a new design(thanks to George Pickett) will be sent to team captains. Thanks to starter Peter Lee, timekeeper Bob Worthington, marshalls in Windsor, Jack Middleton, Doug Timms, John Harrison and Steve Edwards.
