Congratulations to winners from O.K. department ~~and~~ the History department who received the Traditional prize of one "six-pack" of beer, which they did not offer to share with the organizers. A well done to the E/S ladies who did not quite match last years 4 times in the heavy but who seemed pleased with their bottle of wine. Notice the consistency of the maintainers who achieved exactly their 1983 time! All will receive certificates in due course.

Thanks to Dr. P.M. Lee who was our starter and to those who helped at the start & finish and around the course.
