We were extremely pleased to see three ladies teams this year! Congratulations to the Reebok Ladies on a fine new record. The new course is generally felt to be slightly slower than the old one so the new record is a great achievement. It was also good to see a team out in fancy dress...the toga warriors had the right attitude to this event.

Thanks to our starter Peter Lee , to the timekeepers and all the marshalls who got a touch of suntan around the course.

A final thought....should we have a prize for the first mixed (two+two ) team next year?
