Whew, what a scorcher! Yours truly made a slow start and then faded badly and watched in despair as nearly everyone vanished past Pendle College. Congratulations to the Athletics club who finished in a fast time (14.26) just outside the (new course) course record (14.01). The women's team also did very well and were only 45 seconds slower than the 1991 record. Pride of place must go to the first mixed (2+2) team, Green Shoots who came within 5 seconds of the 1992 record held by the Maths Bisexuals.

Our apologise for the confusion over the first mixed team, the computer was not fully aware of the sex of the Green Shoots. Next year please try to enter early and give us your details! We applied the Age/Sex correction only to teams with a combined age exceeding 132. When FF recovers he will pop into the off licence and buy the prizes

Many thanks to all those who helped on the day. Prof Arthur Clegg made a long speech in which he mentioned "go" five times before saying "go". Gareth, Rob and Kay stopped the buses and cars and Tim and Paul managed a faultless results sheet.

See you all next year.
